Dear Community Leader,

This year marks our 2nd anniversary of Celebrate Memphis, Indiana.

Union Township Beautification in Memphis is a Non-profit organization.

We are requesting your help and support with our 2010 festival in October. This will be a three day event on the first weekend of October, that will benefit Kentuckiana. The money raised will go to fund the Celebrate Beautification of Southern Indiana. It will also benefit our community, Angel tree 2010, American Cancer and other Non-profit organizations. Our festival is operated by volunteers of the Union Township committee. Your support will make a big impact in our community.

During this event visitors will experience a wide variety of top notch southern hospitality and entertainment. There are several levels to this giving opportunity and we will appreciate any amount you can donate. We will recognize your gift on a banner that will be displayed at our event, and also on our web site. Uniontownshipinfo.com and newsletters up to the event.
